

U-Nite Clubz is a new social club for disabled young adults, aged 18-25, aimed at helping them to get out, make friends and enjoy themselves. Often, disabled young people have limited opportunities to be with friends and take part in all the social events others may enjoy. Experiences like going to gigs, festivals and staying out late beyond 9pm can be few and far between. We are looking for people to help us change that!

It is expected that the group will meet two evenings and two Saturdays a month and the young adults will be able to choose which sessions interest them and sign up.

The estimated start date is week commencing 6th May 2019.

If you would like more information about any of the positions available for U-Nite Clubz please take a look at the job descriptions on the vacancy page on our website. You can also call the office and speak to the Childcare and Daytime Support Manager for an informal chat about the project.

Please note, the deadline for applying for the positions available is Monday 18th March 2019.
