Instructions

With the World Cup approaching, what better way to get involved and raise money for charity than with a sweepstake? Everything you donate will go directly towards supporting disabled children and young adults at Unique Kidz & Co.

1. Choose your entry amount and prizes.

Let everyone know how much of the total pot will be distributed as prizes and how much will be donated. Why not consider gifts for the winner instead? A bottle or box of chocolates for example.

2. Draw the countries

Cut out the countries and get everyone to pick their entry from a hat. If you don't have 32 people taking part, encourage people to pay for another entry and take two or more.

3. Keep a record

Use our sweepstake poster to keep a record of everyone's team and hang it somewhere you can all see. Now enjoy the football!

4. Congratulate the winner(s) !

After the tournament ends make sure the winner(s) receive the prize that you decided at the start, and take photos to share on our Facebook and Instagram!

4. Donate your proceeds

You can donate online, either on our page justgiving.com/uniquekidzandco or set up your own justgiving page and collect entry money on there. Or if you prefer to use cash, let us know and we can arrange for a collection box to be delivered for you and you can bring the box back after the tournament.
